It is the express desire of The University of Tennessee and the State Building Commission to include an emphasis on diversity in its contractual relationships with contractors for the construction, demolition, or renovation of State projects under jurisdiction of the Commission. The Commission acknowledges that firms who demonstrate and embrace diversity within their programs and policies are assisting the State in achieving its goals in building a more reflective marketplace of the community within this State.

It is a requirement of all successful Bidders or proposers on projects under the jurisdiction of the State Building Commission that they report to the State the names and amounts of contracts entered into with diversity-owned businesses on their contract with the State in order for the State to collect data on such participation.

The Christman Company is an equal opportunity employer. We strongly encourage and support participation of small, minority and woman-owned businesses.

All contractors bidding on work must be bondable and must include in their bid the cost for furnishing a Co-Obligee Labor and Material Payment Bond and a Co-Obligee Performance Bond. On the proposal form the contractor will identify a cost to be deducted from their bid should bonds not be required.

All questions are to be directed to the Construction Manager and received no later than close of business on August 8, 2022. No direct contact with the Owner or Architect is allowed.

All bidders must be pre-qualified by the last day of questions. <https://www.christmanco.com/Bidding/Documents-and-Forms/Pre-Qualification-Form>

Each Proposal shall be accompanied by a certified check, cashiers' check, money order, or bid bond made payable to The Christman Company in an amount not less than five percent (5%) of the base bid as a bid security. The Bid Security of Bidders under consideration will be returned immediately after award of contracts by the Construction Manager. The amount of the guarantee shall be forfeited to the Owner if the successful Bidder fails to enter into a contract and furnish required bonds and insurance within 30 days after award of contracts.

Bidders must be licensed as required by State Law.

All proposals submitted shall remain valid for a period of ninety (90) days after the bid date. The Owner, Architect and Construction Manager reserves the right to waive any irregularities, reject any or all proposals, or accept any proposal, which, in their opinion, will serve their best interest. The Christman Company is an equal opportunity employer.
